Our Grab n Go meals have dwindled some since February and March. We are averaging a bit over 9 meals weekly. We are looking forward to getting back to our "in-house" meals once Covid numbers are on the down side.

The COA van continues to be extremely busy; the only day it was not in use was the Holiday in April. Offering 20 days with 27 unduplicated riders for appointments and shopping. Dan and George continue to do a stellar job for our seniors.

Gini continues to thrive with the SHINE program.

Coffee Hours in April were great in April; a highlight was Coffee with Gwen and Courtney. The Paper Flower craft with Deb, and Movie Matinee, and the Luncheon with the folks from Wingate Residences at Melbourne Place were all well received. Our seniors always look forward to the lunches and are anxiously awaiting the Heritage for our May luncheon.

Programs scheduled for May: Zoom Drawing Class, Game Day Fridays, Decorative Plate Class with Deb Carter and Pat, Monthly Blood Pressure Clinic, Coffee Hour with Chris Ketchen, Volunteer Recognition Reception, Movie Matinee-The Marksman, and Lunch from Olde Heritage Tavern.

Darlene tells us that we are averaging 50-60 kids a day at the after school program. Tee-Ball and coaches pitch have started as well as mighty kickers run with the LYFC. We have 65 signed up for Tee-Ball/ Coaches pitch and 115 signed up for Mighty Kickers.

Tee-Ball /Coaches Pitch teams are invited to walk in the Memorial Day parade.

The summer program planning has begun and we have over 50 Campers signed up.

The Pickle-Ball court is playable, just waiting on the line painting. The old Score board has been taken down at Ore Bed and the newer one is running.

Beach Update: Selectmen ask if we are charging non-residents, are parking passes free. A fee of \$5.00 at the Beach and \$65.00 dollars for a Beach Pass will be charged.

The Pavilion is in the process, the concrete pad is poured, and the Board agrees that a 2 hour limit in using the Pavilion should be set, so others will get a chance.

Life Guards are on deck, all 6 are returning and will run 5 hour Shifts consisting of 1 head lifeguard and 2 seniors. We will have a 10:00 to 3:00 Gate Keeper as well.

LCC backyard is open again, the slide is repaired along with new mulch, the old rubber mulch has been removed.

The Ballroom floors are refinished and look great! Bruce Huber has completed the painting of the inside the Center.

We are hoping to renovate the Kitchen through donations.

Lenox Children Center has closed, there is a need for care and a place for 5 year olds to be, they would need to have their own staff. This will be discussed further.

Meeting adjourned @ 6:18. Minutes submitted by Francie Sorrentino
