**Other Business:** July 18, 2017-A handwritten note was left on PA's desk after 4:00 PM on July 18, 2017. There was a 9" x 4" color brochure, with printing on both sides. Frank Newton submitted it and circled "...cottages" built by the rich and famous in the Berkshires at the turn of the twentieth century. Designed by the famed architects, Mead, McKim and White, the property has a long tradition of genteel hospitality." Noted in pen was "House built (?) 1912. The hand written note on scratch paper was:

From: Frank Newton

"White was killed 1906 by jealous husband." I am unable to make out the other handwritten sentences.

**Approve Minutes**-June 20, 2017

Respectfully submitted,  
Peggy Ammendola
