

Minutes of Meeting –December 21, 2022; meeting called to order at 6:00pm. Present: Ed Lane; Warren Archey; Dave Roche; Neal Maxymillian; Marybeth Mitts.

MOTION by MM, seconded by EL to approve the Minutes of December 7. 5/0 vote.

Citizens Open Forum: Courtney Gilardi asked about appearing at a future meeting to discuss the Board sending letters to the FCC and state legislators regarding cell towers/health issues. DR stated that she should contact the office, requesting to get on an agenda. Sonya Bykofsky stated that she was outside in line waiting to get into the STM and found out that the meeting had already begun. She suggested that the alphabetical signs be placed outside so people can form appropriate lines outside rather than waiting until they get inside of the building. She also stated that since the cell tower bylaw did not pass, she would ask that the Board work with the Planning Board to get an attorney well versed in the issue to assist them. She went on to state that she wants to see improved cell coverage and believes that another bylaw submitted in May won't get approved otherwise. NM stated that the Planning Board is an elected board and that the Selectmen cannot tell them what to do and what not to do.

Consent Agenda: MOTION by EL, seconded by NM to approve the seasonal population estimate of 10,000; approve the 2023 annual license renewals as presented; accept monetary donations to the community center. 5/0 vote.

Dare Wine, Beer and Provisions came before the Board seeking to amend their liquor license with a change in d/b/a to Dare Bottleshop & Provisions and a Pledge of their license and inventory to Adams Community Bank. MOTION by MM, seconded by EL to approve the amendments to the annual package store license held by Dare Wine, Beer and Provisions. 5/0 vote.

DR wished everyone a merry Christmas and happy holiday season.

Meeting adjourned at 6:14pm.
