Lenox Town Hall  
6 Walker St  
Lenox, MA 01240

Lenox Historic District Commission,

On behalf of Kelly and Bryan Binder, owners of Doctor Sax House, we would like to make an application for Certificate of Appropriateness for the proposed interior and exterior renovation of 35 Walker St. The property includes the Main House which will operate as an Inn and restaurant on the first floor, and a carriage house which will operate as a retail space.

The proposed exterior work includes the following;

Main House:

- Provide new double hung window at side elevation.
  - New double hung window will match style and mullion pattern of typical existing double hung window.
- Provide new exterior egress stair from third floor to grade.
  - Exterior egress stair will be located at the side elevation towards the rear of the building to minimize it's view from the public way.
  - Exterior stair will be painted to match building color.
- Installing new gutters and downspouts on the front side and back of the structure.
  - Gutter will be aluminum, 'K-Style' profile.
  - Gutter and downspouts will be painted white to match the building color.
- Replace existing exterior wall sconces at all (4) exterior doors.
- Replace existing exterior pendant light at Walker St Porch.

Carriage House:

- Provide new exterior door.
  - New exterior door will match style and lite pattern of existing main house exterior doors.
- Provide new fixed windows at front elevation. New fixed windows will match style and mullion pattern of existing double hung windows.
- Provide new exterior wall sconce.

Best Regards,

Amanda O'Malley, R.A.
