

Town of Lenox
Conservation Commission
Meeting Agenda
September 3, 2020 @ 7:30 p.m.
Lenox Town Hall Auditorium

1. **Request for Determination of Applicability**— National Grid for the property located at 11 Willow Creek Road, Map 9 Parcel 4. The proposed project involves overhead line and pole maintenance at Pole #3 and the installation of a new midspan pole to the north of the Lenox Substation. Proposed work will occur within the Bordering Vegetated Wetlands.
2. **Request for Determination of Applicability** — Eversource Energy for the 1611 Line electrical utility ROW off Willow Creek Road and New Lenox Road. The proposed project involves construction of three (3) gravel access roads and portions of three (3) gravel work pads within the 100-foot Buffer Zone to Bordering Vegetated Wetlands (BVW) and Inland Bank.
3. **Approval of Minutes**—August 20th Meeting
