How to Use Teams:

Join Teams meetings anytime, anywhere, from any device.

Teams meetings are best when you join them from the Teams app or Teams on the web.

Select **Click here to join the meeting** in your meeting invite to be taken to a page where you can choose to:

either join on the web or download the desktop app.

If you already have the Teams app, the meeting will open there automatically.

If you don't have a Teams account and the organizer has allowed it, you may have the option to enter your name to join the meeting as a guest. If you do have a Teams account, select **Sign in** to join with access to the meeting chat and more. Then, depending on the organizer's settings, you may join the meeting right away or go to the lobby where people in the meeting can admit you.
