## **Filing Marriage Intentions**

A couple must come in together to file their Intentions for Marriage. You'll need to complete the Marriage Intentions Form and the Supplement to Notice of Intentions, which takes about 15 minutes. You may call the Town Clerk's Office at (413) 637-5500 ext. 1207 to make an appointment.

There is a 3-day waiting period from the day Intentions are filed until the Marriage Certificate can be issued. You do not count the day of filing; e.g.: if a couple files on Tuesday they cannot pick up their certificate until Friday.

You can file your intentions up to 60 days before the wedding, but you must marry within the 60 day period as they are only good for 60 days.

The cost is \$35.00, which includes \$25.00 for the intentions and \$10.00 for one certified copy after the wedding. If you'd like additional copies, they are \$10.00 each.
